

## *Workspaces*

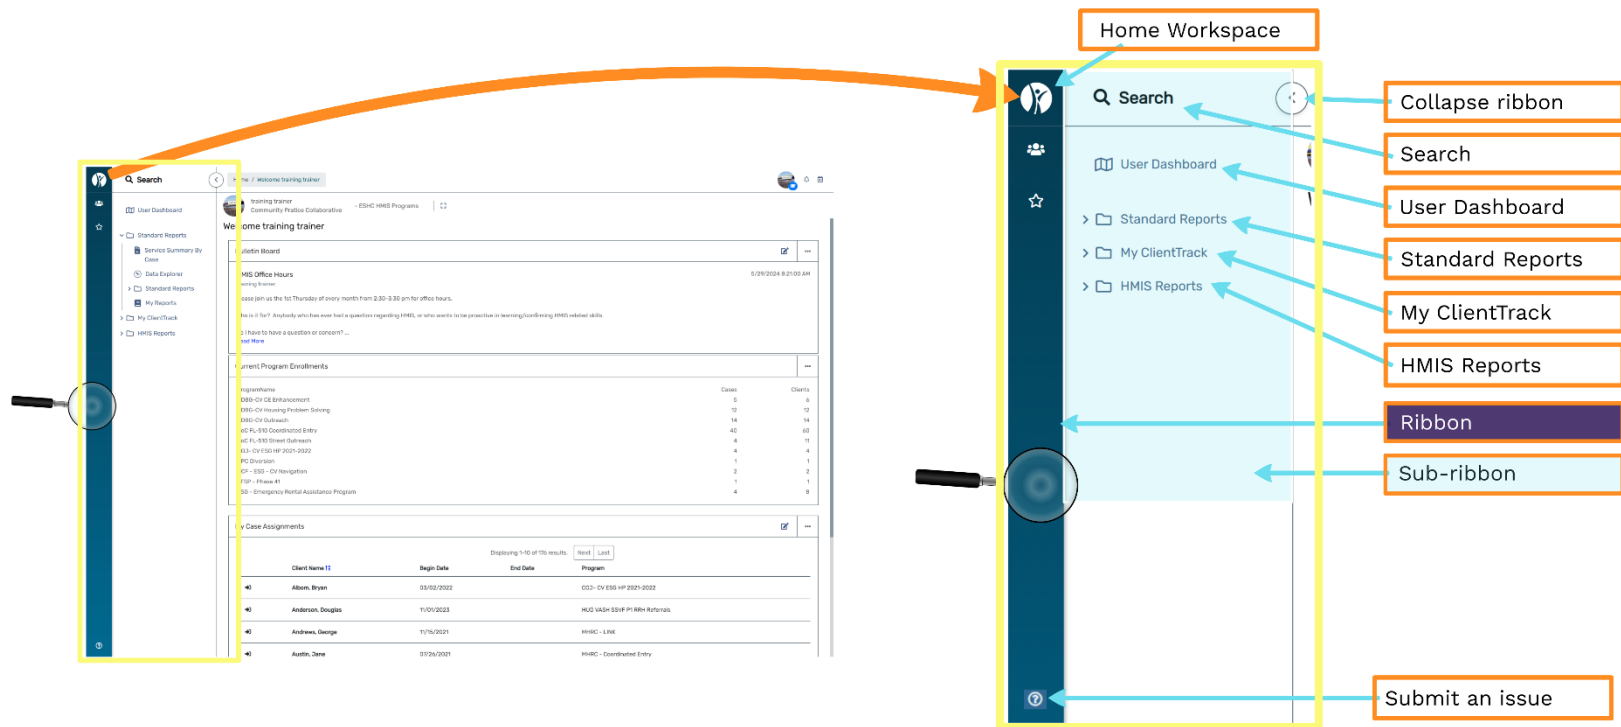

There are two Workspaces\* in ClientTrack. They are separated by tasks and what functions you need to access in ClientTrack. The Workspaces can be accessed by clicking on the icon\*\* from the Sidebar\*. Each workspace corresponds with a specific Secondary Sidebar located directly to the right of the Sidebar.

*\*For terminology regarding HMIS spaces, go to Chapter 1: HMIS Client Track Basics/General Navigation/General Page Anatomy and Page Terminology in the “HMIS Basic User 2025 Manual”.*

*\*\*To view a list of icons and buttons used in Client Track HMIS, see Chapter:1: HMIS ClientTrack Basics/Key Terminology and Navigation/Icons and Buttons in the “HMIS Basic User 2025 Manual”.*
