HMIS Intro - Signing in and Profile

In this tutorial, we'll review signing in and the user profile. This is where you'll find your workgroups as well as settings such as profile picture and themes.

This course is designed to be a general tutorial hub for all things HMIS ClientTrack. There are no grades or course completion. Click the button of the topic you'd like to review. This course will be updated as new topics become available so check back at any time to see what's new.
